

Neuro-agility Profile™ Licenced Practitioner Accreditation Programmes

The Neuro-agility Profile™ Advanced+ assessment is a multi-dimensional, neuroscientific innovation. It describes a person's unique neurological design, explaining how they learn and think. It assesses 6 drivers that impact brain performance, which enable people to enhance brain performance by closing any gaps in the drivers highlighted by the assessment.

The Neuro-agility Profile™ is referred to as a brain profile assessment, however it differs from any other assessments in the market also referred to as brain profiles, since it is the most comprehensive assessment for brain agility in existence.

The accreditation programme certifies facilitators, coaches, talent development, HR and L&D practitioners and performance improvement professionals to assess and debrief people on their unique neurological design (potential) and the drivers that optimise their brain performance and brain health.

In order to become an accredited Licenced Practitioner in the Neuro-agility Profile, you will be required to complete either the Face to Face or Online Accreditation Programme.

Face to Face Accreditation Programme

1-day Workshop and a 90 min interactive Zoom session, plus pre and post work, and Confirmation of Learning.

Learning the Basics

Self-study online pre-work

(Allow 2 weeks)

1. Complete your own online Neuro-agility Profile™ Advanced+.
2. You will receive a link to access a series of videos and the Neuro-agility downloadable workbook. There are 14 modules, including 33 videos (total of 23 hours, approximately).
3. Before the first interactive workshop, you are required to work through 10 online modules. You will find a short online quiz to complete at the end of each module:

- Module 1: NAP™ Advanced+ Brain Profile Debriefing Video
- Module 2: Introduction to the NAP™ Practitioner Training Self-Study Program
- Module 3: Future Skills
- Module 4: What is Neuro-agility & Why It Matters
- Module 5: An Introduction to Brain Areas & Brain Basics
- Module 6: How the Brain Works
- Module 7: Learning Implications of Your Neurological Design
- Module 8: Drivers that Optimize Your Brain Performance
- Module 9: How to Interpret the NAP™
- Module 10: How to Debrief the NAP™

Face to Face Workshop Content

This workshop will provide an understanding of the Neuro-agility model, approach and develop expertise in debriefing the profile. Agenda for the day is as follows:

- Rationale – why Neuro-agility and why now?
- Where and how this can help clients
- Background and development of the model – sources and influences (links to further reading and research) - Review of responses to the questionnaire and report
- Detailed walk through of the Neuro-agility approach and model, 7 factors and 6 drivers, using interactive and blended learning, using your own reports to bring it to life, and with a focus on what this means for clients and how to develop and enhance the learning
- You will be encouraged to join a WhatsApp group for peer coaching support.

Self-study: continuation of online learning

(post workshop)

1. Watch videos and work through the manual, completing online modules and short quiz at the end of each module:

Module 11: The Neuro-agility Profile™, Variations & Differences

Module 12: Case Studies

Module 13: Marketing, Practitioner Licence Agreement & Next Steps

2. Complete your reflections.
3. Practice debrief from a test profile – notes to video on how you would work with the client, areas to explore, conclusions to draw, assumptions to avoid, suggestions to make.

Interactive Zoom session (90mins)

Content

This interactive Zoom session will focus on the delivery of the different components as well as practice delivery with feedback.

- Sharing learning, questions and observations
- “Elevator pitch” – how would you position with a real client/prospect (if possible), the why, what and how Neuro-agility can be a significant part of their self-development
- Marketing and promoting Neuro-Agility
- Next steps, and support

Self-study: continuation of online learning

(post zoom session)

Watch videos and work through the manual, completing online module and short quiz at the end of the module:

Module 14: Additional Resources and Final Theoretical Assignment

Confirmation of Learning

1. Complete course work – read all materials provided
2. Prepare 2 x Neuro-agility profiles – record observations and key learning
3. Telephone debriefing 2 profiles with assessor
4. Complete written assessment.

Investment

- Face to face accreditation - £2,500 + VAT per person
- Annual licence renewal fee (includes retake of Neuro-agility Profile™) - £195 + VAT
- Cost per profile - £70 + VAT each (one token = one profile. Tokens purchased in bulks of five).

Dates

- Friday 15th March, Location: TBC
- Friday 26th April, Location: TBC
- Saturday 8th June, Location: TBC
- Saturday 20th July, Location: TBC
- Saturday 14th September, Location: TBC
- Saturday 12th October, Location: TBC
- Friday 15th November, Location: TBC

Online Accreditation Programme (self-study focused)

4 x 2-hour webinars, plus pre and post work and Confirmation of Learning.

Learning the Basics

Self-study online pre-work

(Allow 2 weeks)

1. Complete your own online Neuro-agility Profile™ Advanced+.
2. You will receive a link to access a series of videos and the Neuro-agility downloadable workbook. There are 14 modules, including 33 videos (total of 23 hours, approximately).
3. Before the first interactive webinar, you are required to work through 7 online modules. You will find a short online quiz to complete at the end of each module:

- Module 1: NAP™ Advanced+ Brain Profile Debriefing Video
- Module 2: Introduction to the NAP™ Practitioner Training Self-Study Program
- Module 3: Future Skills
- Module 4: What is Neuro-agility & Why It Matters
- Module 5: An Introduction to Brain Areas & Brain Basics
- Module 6: How the Brain Works
- Module 7: Learning Implications of Your Neurological Design.

Webinar One

Content

- Rationale – why Neuro-agility and why now?
- Where and how this can help clients
- Background and development of the model – sources and influences (links to further reading and research) - Review of responses to the questionnaire and report
- You will be encouraged to join a WhatsApp group for peer coaching support.

Webinar Two

Content

Detailed walk through of the Neuro-agility approach and model, 7 factors and 6 drivers, using interactive and blended learning, using your own reports to bring it to life, and with a focus on what this means for clients and how to develop and enhance the learning.

Self-study: continuation of online learning

(post webinars one and two)

Watch videos and work through the manual, completing online modules and short quiz at the end of each module:

Module 8: Drivers that Optimize Your Brain Performance

Module 9: How to Interpret the NAP™

Module 10: How to Debrief the NAP™

Webinar Three

Content

Practice delivery sessions and profiles.

Webinar Four

Content

- Sharing learning, questions and observations
- Marketing and promoting Neuro-Agility
- Next steps and support

Confirmation of Learning

1. Complete course work – read all materials provided and complete modules:

Module 11: The Neuro-agility Profile™, Variations & Differences

Module 12: Case Studies

Module 13: Marketing, Practitioner License Agreement & Next Steps

Module 14: Additional Resources and Final Theoretical Assignment

2. Prepare 2 x Neuro-agility profiles – record observations and key learning

3. Telephone debriefing 2 profiles with assessor

4. Complete written assessment.

Investment

- Online accreditation - £2,000 + VAT per person
- Annual licence renewal fee (includes retake of Neuro-agility Profile™) - £195 + VAT
- Cost per profile - £70 + VAT each (one token = one profile. Tokens purchased in bulks of five).

Dates for our Accreditation Programmes

Please call our office on 01628 488990 and ask to speak to a member of our Client Services team, for the latest available dates.

How to Book

To make a booking, or if you have any questions, please contact milly@fullpotentialgroup.com or call the office on 01628 488990 and ask to speak to a member of the Client Services team.

Terms & Conditions

A booking is confirmed on 100% payment of the full fee. FPG reserve the right to cancel a 'reserved' place if full payment has not been received.

The following cancellation (Including transfer date) fees apply from the date of the event:

- 61 – 15 working days = 65%
- 14 – 0 working days = 100%

Due to the nature of this training we are unable to accept a change of delegate beyond 30 days of the training date.

FPG reserve the right to re-arrange the training date should the minimum number of delegates not be reached.

Prices correct at the time of publishing and subject to change.
